Property in the city of Nagykanizsa with a lot of work.

You will find the house in a beautiful and quiet part of the city of Nagykanizsa. Currently a popular part of the city.

The photos are clear. There is a lot of work to be done here, but it is also about the location, a house in a city where there is always something to do. Not really the countryside. We can put you in touch with a construction company for the renovation.

Gas, water and electricity and a connection for sewerage are available. Telephone and Internet connection is no problem.

You will find this house in Nagykanizsa. You will find everything a city can offer you here. With all the chain stores, restaurants, cozy centre, sports facilities, schools, a hospital, etc. You live here in the city, but still quiet.

A house in a nice city, but a lot of work.
