Omschrijving:

An impressive property is offered in Las Rozas de Madrid, which stands out for its spaciousness and potential. The property is made up of two buildings located on a 3,620m² plot, and has approximately 5,910m² of built space. Upon entering the property, there is an elegant hall that welcomes visitors and leads to the different areas of the property. In addition, there are conveniently located toilets for the comfort of the occupants and office spaces, which offer a versatile environment for various business activities. The property is divided into two independent rooms, which provides great flexibility in its use. To facilitate vertical mobility, there is a core of elevators and a well-distributed staircase, which guarantees easy access to all areas of the buildings. It is important to highlight that the property is in need of reform, which provides the perfect opportunity to adapt it to the needs and preferences of the buyer. This renovation project will make it possible to make the most of the property's potential and create a unique and personalized space. Additional amenities offered by the property include water supply and air conditioning, ensuring a pleasant environment in all seasons of the year. In addition, a modern elevator improves accessibility and comfort for occupants and visitors. The gardens that surround the property add a touch of nature and tranquility, providing outdoor spaces to enjoy moments of relaxation or to hold outdoor meetings and events. The price of this impressive property is €12,120,000, and the owners are willing to consider negotiations according to the proposed payment methods. If you are interested in this magnificent opportunity, we invite you to submit your offer. For more information, do not hesitate to contact us. This property represents an excellent investment in a privileged location in Las Rozas de Madrid. Don't miss this unique opportunity!
