Location:	Zadarska županija, Posedarje, Posedarje.

A very attractive building plot of 691 m² with a main construction project and a building permit for sale. The main project with the obtained building permit envisages the construction of a residential building with an outdoor swimming pool and an open summer kitchen with a pergola.

Distance from the sea is only 80 m and is located in a quiet part of Posedarje where most of the villas with pool and cottages are found nearby.

The terrain is sloping and is located on an elevated part above the bay, which allows it a superb and unobstructed view of the sea.

The land is accessed from the south by an asphalt road. Infrastructure (electricity, water) is nearby. Close to the sea and the center!

The property is tidy.
