Omschrijving:

This modern luxury penthouse in the heart of Milan, near the city centre, is on the 6th floor of a newly constructed building. Covering 130 sqm, it has been recently renovated with high-quality finishes. Its standout feature is a 65-sqm terrace with a heated pergola and domotic controls, allowing year-round use as an outdoor living area, offering privacy and relaxation with city views. Situated in an elegant residential neighborhood rich in amenities and green spaces, the penthouse is close to a park ideal for walking and sports, to museums and attractions in the renowned designer district. The building exemplifies modern architecture, and the flat's renovation includes contemporary elements and state-of-the-art domotic solutions. The interior features a large, bright open-plan living area with an arched wooden ceiling, a dining area, and a kitchen. The sleeping area includes a master bedroom, a study, and two bathrooms, with direct terrace access providing natural light and views nature. The 65-sqm terrace, with a 38-sqm pergola and automated windows, offers a heated, private green oasis for year-round use. This penthouse combines modern design, privacy, and a strategic location, making it an ideal retreat for those seeking comfort and quality in one of Milan's most desirable areas.
