Omschrijving:	

Our latest offer can be found in the green Berlin district of Pankow, in the borough of Weissensee. The areas most notable feature can be found a short walk away at the lake beach of Strandbad Weissensee. The beach is popular with locals and on sunny days you can often find people swimming in the lake or relaxing on the sand. The area is also very well connected with various tram routes available. The Ring-Bahn can also be found a short distance away at Prenzlauer Allee. Some of the best shopping facilities, restaurants and cafes can be found at Schonhauser Allee which is reachable by tram in under 10 minuets. From here you will also find the U2 line which connects the east to the west, passing through the heart of the city. The best transport line for any city explorer.

The apartment consists of a spacious, comfortable living room with dining area and access to the separate kitchen. The room is flooded with natural light with large south facing windows and this emphasises the high, stuccoed walls of the old building. The bedroom is bright and spacious with ample areas for storage.
