Omschrijving:

We present to you this Fabulous Villa located in the privileged area of Los Dolses. The property is built on a plot of 615m² and consists of 4 bedrooms, 2 bathrooms, living/dining area and a spacious fully fitted kitchen. The property benefits from private terraced areas, double garage, storage rooms, roof solarium with laundry room, air conditioning, sold furnished and also benefits from a private swimming pool.

Los Dolses is a thriving community situated between Villamartin and La Zenia on the Southern Costa Blanca. A popular tourist destination for two main reasons:

Firstly, the many golf courses in the vicinity of Los Dolses.

Secondly, the many top standard sandy beaches combined with a consistent sunny hot climate and reliable weather.

In Los Dolses you will find two commercial centres. The Rioja and Los Dolses are the two commercial centres about 10 minutes walk from Villamartin Plaza.

For golfers Los Dolses is superb. The southern Costa Blanca has built up a highly deserved reputation due to the many golf courses all very close together which means you can be based in Los Dolses and travel to a different course each day.

The three championship courses of Villamartin, Campoamor and Las Ramblas are within 20 minutes drive as well as La Marquesa golf and country club which is near the small town of Ciudad Quesada and La Finca golf.
