Omschrijving:

I present you an individual stone farmhouse in Lezama, located in an ideal and very quiet environment, in the middle of the countryside. This charming farmhouse is located just 10 minutes from Bilbao and 5 minutes from the Zamudio technology park, offering incredible views. The layout allows two families to live comfortably, being perfect for those looking for a lifestyle in contact with nature. Although it requires some renovations to adapt it to your taste, the house is habitable. It has a large land, ideal for keeping animals such as horses and for farming, as well as numerous fruit trees on the farm. This type of property is very rare in the region. A part of the house is rented for tourism on a one-off basis and works very well. It also has a large garage. - REF: Lezama XH 406260
