Omschrijving:	

Situated majestically on the slope of Orada, this detached villa is a true sanctuary of elegance, offering stunning views of the sea, the hillside and the Albufeira Marina.

It is part of a reference urbanization of superior quality housing.

With an impressive gross floor area of 472m², this property is set on a spacious plot of 1,000m², providing an environment of serenity and tranquility. Where comfort and sophistication are guaranteed in every detail.

It features above-average interior areas and an underground garage basement with almost 200m².

Originally built in 2012, it has however been updated and the finishes are perfectly current, modern and with all the quality and conformity of a house built today.

It consists of the ground floor, first floor and the basement garage.

On the ground floor, we find a spacious entrance hall and a lovely staircase to the first floor; one bedroom en suite; an office that can be used as another bedroom; A large living room with 42m² and a kitchen with
