### Omschrijving:

Residential house of approximately 105m2 of living space located in the town of Boussay, close to shops and the Nantes-Cholet SNCF line.

The entrance gives us access to a large, bright living room combining exposed beams and granite stones. As an extension, the open kitchen is equipped and furnished overlooking the enclosed outdoor courtyard.

Upstairs, the landing serves a laundry area, a bathroom and four bedrooms.

In addition, the garage and its large gate allow us several parking spaces and possibilities for expanding the living space. Electric heating and house connected to mains drainage.

The Loire Atlantique department is part of the Pays de la Loire region and, not surprisingly, is named after the Atlantic and the Loire; the coastline and the principal river.

Loire-Atlantique has the lowest altitude of any region in France with an average of only 1.15m. It has no less than 130 kms of marvellous coastline comprising mainly of beautiful sandy beaches. Between the so-called Cote de Jade and Cote d'Amour, you will find many seaside resorts such as Le Pouliguen, La Baule and Pornichet.

The lakes around Briere and the oyster-farming ports are typical of the region and the famous salt lakes of the medieval town of Guerande are well-known for producing the famous Guerande - Fleur de Sel.

Hiking tracks give the opportunity to discover the history that punctuates the landscape and the towns are full of heritage such as the stunning chateau of Ducs de Bretagne in Nantes.

The port of La Turballe is famous for sardine fishing, Batz-sur-Mer for its surfers and La Briere for its 3,000 thatched cottages.
