Casa Calvario is a perfectly renovated family home situated on the town's main street with shops on the door step. The ground floor has a traditional San Juan entrance hall which leads into the open plan salon on through to the dining area and out to the kitchen, beyond which there is a family bathroom and a patio. The hallways and rooms are tiled to the height of 80cm with Andalusian Zocolo tiles.

Upstairs in Casa Calvario there are 3 generous bedrooms and another bath room. The master bedroom has a balcony overlooking the street and is the perfect position to sit and watch everyday hustle and bustle and on special days the processions of Semana Santa and Carnival.
