Excellent opportunity!	

Luxury four-bedroom detached house, designed by a renowned architect and built with noble materials.

It is spread over two floors plus a basement, and on the ground floor is the entire social area of the property, which includes a living and dining room, a kitchen with built-in appliances, and a dining area and an office. All with good areas and access to the terrace and garden, as well as a support bathroom.

On the first floor, there are four bedrooms with lots of light and access to balconies and patios, one of which is a huge suite with closet.

Finally, in the basement there is a garage for five vehicles, with a porch for two vehicles, as well as the laundry room, engine room and a small patio.

The house is located in a quiet area, simultaneously close to good road access, commerce and services, as well as next to the metro and the University.

Don't miss the opportunity and book your visit today!
