Omschrijving:	

With its creatively modernized Old Hacienda architecture Cove One indulges any family's love for comfortable yet elegant living. The approach with the interior design was to capture the dramatic views while creating an environment with a soothing juxtaposition of color and texture. Since everyone congregates in the Kitchen and Living Room it makes sense that they were positioned along the long expanse of the ocean. With flawless design a Chef's Kitchen is also offered that dares to challenge your culinary skills with top of the line appliances. There is a lot of 'Wow' as the Dining Room sliders pocket and the room flows out into the water filled garden of the entry courtyard with stepping stones meandering above the water.

Supplements The splendor of this indoor setting is echoed outside where a bit of drama comes into play. A breezy oceanfront covered terrace is perfect for leisurely long lunches or just lounging around living the life all with a sense of intimacy yet all visually connected. The expansive pool deck is also home to a custom designed lap pool with inset spa featuring inky blue mosaic hues that sparkle in the sun. Twin fire bowls flank the pool with cascading water. Intimate seating groups further define the area from chaises to perfect that copper tan to a palapa setting equipped with fireplace for a warm cozy evening to sitting around the firepit under the star filled sky. A private staircase allows you to have your toes in the sand within just a few steps at Palmilla's swimmable beach or taking a quick stroll over to your private beach club Club Ninety Six. Cove One is truly a one of a kind ocean front property. Privacy in the midst of it all.
