House on a plot of no less than 4,500 m² in a quiet area of Csernely.

The house is wonderfully quiet. Along a small road with only local traffic.

In the photos you have to look through all the \"junk\" and then you see that you enter the house in the hall and that you then have the living room, 2 bedrooms, a dining room, the kitchen and the bathroom at your disposal.

The house is in a reasonably neat condition and can be renovated step by step.

The plot is 4,500 m² and in the garden various outbuildings such as the garage, summer kitchen and the old stables. Excellent place if you want to keep animals.

Facilities such as electricity and water are available. Gas is already present on the plot. For drainage there is a connection to the sewerage system. The house is heated with wood stoves. Of course, telephone and Internet can be connected.

This property you will find the village called Csernely. Csernely is a large village of around 1,000 inhabitants and beautifully situated towards Szilvásvár (9 km) and Eger (18 km). In Szilvásvár many tourists come for the museums and of course the horses. Eger is a big city. All major purchases can be done here in the Tesco, the Obi, the Lidl etc. the centre of Eger is very nice. Here many terraces, restaurants etc. A visit to the basilica and the castle are certainly recommended. This is also a pleasant wine area.

Good house in a quiet neighbourhood on a large plot in the beautiful

north of Hungary.
