Omschrijving:

Very close to the lake in context directly on the lake we propose beautiful two-room apartment on two levels. The property is on two levels connected by a spiral staircase.

The ground floor is characterized by a very bright living area, elegantly furnished open kitchen and pantry. On the first floor we find a large master bedroom with balcony and glimpse of lake view, walk-in closet and windowed bathroom.

The solution is completed by a porch on the ground floor. The entire complex is developed directly on the lake, has private dock with berths reserved for the complex and has a janitor. In the condominium courtyard are also available parking spaces where you can leave your car.

Located a few steps from the lake in a quiet area this solution is ideal both as a first home and as a vacation home.
