Omschrijving:	

Wonderful opportunity to bring a beautiful village house close to Nanteuil en Vallee back to her former glory. This old forge is a perfect example of the lovely stone that Charentais houses are constructed from. At the centre of a pretty village tucked away in a valley but just ten minutes by car to nanteuil en Vallee and Ruffec with all it's shops, this lovely village home is just waiting for a new owner to love it like it's sellers have done for many years. With a beautiful garden full of trees and shrubs, three seperate entrances and a large hangar for parking, the house also has bedrooms on the ground floor, ideal for guests and a huge attic that could be further converted for more living space. The roof is in good condition although the house does need a new septic tank system, but with your care and attention, this lovely property could quickly be transformed into a stunning family home. HURRY!
