Omschrijving:

In a quiet and sunny location, just a few steps from the vibrant center and just 200 meters from the beach, this house is waiting to make your dreams of a property by the sea come true.

It is a well-kept multi-family house with five 2-room apartments and promises enormous potential. It is suitable both as an investment property for tourist rental, a lucrative opportunity to secure an additional income, as well as for the realization of a new construction project. You could increase the volume and create eight 2-room apartments. There is even the possibility of integrating a swimming pool, which would further emphasize the luxurious ambience. With this property, you are not just buying an apartment building, but a well-kept residential building with five units. Each individual apartment is a gem in its own right, offering space for comfort and quality of life.

Whether you are looking for a special investment opportunity, want to realize a project or are simply looking for a new home for yourself and your loved ones - this apartment building is the perfect answer to all your questions.
