Ground floor and 1st floor - swimming pool with engine room - garage with private parking.

Access by tarmacked street (no cul-de-sac), this land is located in Calvos, municipality of Silves, in a privileged and quiet location a few kilometers from supermarkets, shopping centers, beaches and the nightlife of Albufeira.

Two small villages with all the infrastructure nearby.

It has a 150sqm deep borehole made in 2020 and licensed (capacity of ± 1000 liters of water hour).

Excellent quality water.

There is a small ruin and several trees (olive, almond, carob and fig trees) on the land. There are about ten holes already made to accommodate fruit trees, as well as a hole to install a garden pond, in an ideal location thanks to the slope of the land.
