The property consists of a large living-dining area with an integrated American-style kitchen. This kitchen has been completely renovated to a high standard and has been fitted with top-quality fixtures and fittings.

At the front of this modern apartment, you will find the living area, which has been tastefully furnished.

There are folding, sliding doors leading onto the large private terrace that faces south-east, ensuring plenty of sunshine during the morning and into the afternoon. The terrace is large enough for a dining table and chairs, perfect for dining al fresco on warm summer evenings. The bedroom is bright, well-ventilated, and also has direct access to the terrace via a large sliding glass door. The bathroom has been fully refurbished and features a large walk-in shower.

The Bucanero complex has a mixture of residents and holidaymakers. There is a large HEATED swimming pool and an elevated sundeck looking directly over the walkway onto the beach and the complex boasts direct access to the beachfront.

Los Cristianos is a vibrant holiday resort with great beaches, a lively promenade, and a charming harbour. Enjoy water sports, whale-watching tours, or even a day trip to the neighbouring island of La Gomera. Explore local shops, savour local cuisine, or simply relax in the sun.
