One of the most complete neighborhoods in Porto Alegre, the Petrópolis neighborhood has a history that transforms over the years. Its origins date back to the first decades of the twentieth century, when the region still had rural characteristics, with plantations, cattle raising and milk production. The natural beauty and mild climate soon attracted families from Porto Alegre, turning the place into a summer spot.

In addition, safety, tranquility and good quality of life make Petrópolis an ideal place for those looking for a place to call home or to invest in a promising business. The combination of history, nature and modernity makes Petrópolis a unique and attractive neighborhood in Porto Alegre.
