We absolutely adore this lovely home located in Olvera, situated on the longest street in the town, closer to the bottom with convenient parking available either on the street or in the adjacent streets below.

As you approach the house, you'll find a sunny, welcoming patio at the front, perfect for relaxing with seating just outside the front door.

The house has been completely rebuilt with a keen eye for detail and efficient use of space. The spiral staircase serves as the home's unique and striking focal point.

Upon entering the house, you'll find a cozy lounge area that features a charming wood-burning stove, creating a warm and inviting atmosphere. There's ample space for a seating area, and enough room to pull out the dining table which comfortably seats four. Perfect for cozy meals or entertaining guests.

The fully fitted kitchen is well-equipped and functional, offering everything needed for your culinary needs. It even includes a built-in microwave and oven for added convenience.

Adjacent to the kitchen, you'll find a beautifully designed shower room, with clever light blocks allowing

natural light to flow in from the terrace above.

Up the spiral staircase to the first floor, you'll find the master bedroom, which is beautifully finished with ample storage space. The room features a Juliet balcony window, allowing for lovely views of the street and surrounding area. The stairs continue upwards to the private terrace, offering even more space for relaxation.

Also on the first floor is a charming single bedroom, complete with its own little terrace that provides a tranquil spot to unwind. The upper terrace is a real gem, offering a peaceful sunspot with stunning views, ideal for soaking up the sun or enjoying the fresh air.

This home offers a perfect blend of comfort, functionality, and style in a peaceful location, making it a fantastic place to live or a perfect getaway in the beautiful town of Olvera.
