ABOUT THE AREA

Kingston upon Thames is a town in the Royal Borough of Kingston upon Thames, southwest London, England. It is situated on the River Thames and 10 miles southwest of Charing Cross. It is notable as the ancient market town in which Saxon kings were crowned and today is the administrative centre of the Royal Borough.

With over 500 shops to choose from, Kingston is home to much-loved brands including John Lewis, Marks & Spencer and Next, alongside quirky independents.

The Bentall Centre has all the stores you would expect to see in the West End under one roof, including Apple, Cos, Zara, & Other Stories, while Bentalls department store is home to a wealth of luxury and high street brands. Venture towards the Market Place and you'll find yourself in Kingston's 'boutique' quarter greeted by high-end high street brands like Reiss, Whistles, The White Company, Jo Malone and Space N.K.

Kingston's retail offering goes way beyond the high street. Independent stores, like Banquet Records and Pullingers Art Shop, are sprinkled throughout the town centre. Make sure you venture onto Old London Road, past the famous 'tumbling' telephone boxes, for a selection of quirky stores with a truly independent spirit.

Our beautiful stretch of the Thames is often regarded as the prettiest of the whole river. With a stunning riverside lined with restaurants and pubs, it's the perfect spot to spend a relaxing afternoon watching the world go by. Why not make the most of it by taking a trip with Turk Launches or, if you want to be your own skipper, grab one of the new GoBoats and head out on their electric-powered picnic boats.

Kingston upon Thames has been home to a bustling market for centuries with the oldest surviving records dating back to the early 1200's, and Kingston's historical market is still thriving today.

The Ancient Market is home to over 20 permanent stalls and trades seven days a week, 10am – 5pm with

a range of traditional market stall holders such as florists, fishmongers, greengrocers and an artisan bakery alongside a vibrant street food scene serving up authentic cuisines from across the globe. One of only five royal boroughs in England and Wales, Kingston is a medieval market town
