### Omschrijving:

Nestled in the foothills of the natural park of Haut Languedoc, just minutes from all commerces, restaurants and services, 20 minutes to Beziers, 35 minutes from beaches, Beziers airport and just an hour from Montpellier.

An impressive and idyllic mas, previously an auberge, consisting of 2 houses with a garage, a hangar and streams, situated on 5.5 hectares of wooded land with vines, an olive grove and fruit trees with scope to develop further if wanted, set away from everywhere, yet close to everything. The 2 houses have been thoughtfully and tastefully renovated, offering lots of charm and practicality at the same time, the 2/3 bedroomed stone cottage, used as a permanent residence of about 120 m2 living space with its own terrace and garden, the second house, let mainly as a gite for holiday makers, offering 2/3 bedrooms also over 100 m2 living space with the possibility to enlarge by 100 m2 on the 1st floor. A hidden gem in an idyllic setting, away from it all, but in close proximity to all amenities, in a peaceful and charming setting, already fully renovated with attention to detail and functionality, with ample living spaces and limitless potential and opportunities for exploitation, retaining character and charm wherever possible.
