Resort Condominium at the Heart of Phuket	

With a variety of one-bedroom floor plans available, our project in Phuket comprises 326 apartments spread across two eight-story buildings.

Inspired by coastal sunrise, the unique design concept is encapsulated throughout interior and exterior architectural elements. The building's stunning gradient shades pay homage to the sun rising on the building, while the pool's colours and design draw inspiration from Phuket's distinctive sunsets.

Our project boasts resort-style communal facilities including a co-working space and lounge, laundry room, swimming pool, gym, outdoor workspace, sunbathing terrace and communal gardens.
