In the old centre of Oschiri, in northern Sardinia, we offer a period house in bio-building with warehouse and land outside the village.

House Ginepro is a 80 sqm bio-building house with independent access in Via Nazionale, in the old centre of Oschiri, in the north of Sardinia.

The house is on two levels and consists of kitchen, living room and bathroom, on the ground floor, and two bedrooms upstairs.

The property is traditionally built with stone with natural binders, lime-based plasters, wooden floors and wooden window frames with swing shutters. And like all houses built in this way, House Ginepro is warm in winter and cool in summer.
