Description:

Exclusive off-plan development set within a stunning natural landscape in Rincon de la Victoria.

Situated in a spectacular spot with kilometres of quiet, equipped beaches and close to Malaga city, the residential complex boasts an unbeatable location. It comprises 41 south- and southeast- facing dwellings with terraces including 1-, 2- and 3-bedroom units, distributed on 4 levels. The apartments offer a contemporary design with unique specifications and excellent quality finishes that the client will be able to select according to their tastes and needs.

The development is built in compliance with the sustainable architecture concept, in addition to offering important energy savings. In particular, it features pre-installation for electrical vehicle charging station and renewable energy sources.

The communal areas offer landscaped gardens, separate swimming pools for adults and children, solarium area and bicycle storage facilities.

In the area there is a variety of services: catering, schools, supermarkets, sport centres, golf courses and a wide range of leisure and cultural activities. The location has a direct access to road links with Malaga city, which is just 20 minutes' drive away, the airport and other services.

Parking spaces and storage rooms can be acquired separately.

This is an example of a 2-bedroom first-floor apartment.
