Description

This wonderful Cabrera farm with its own house is a working ranch of 101,873.79 m2 or 25.18 acres

Located a scant 8 km from the entrance to the famous Playa Grande Golf Course and equidistant to the oceanfront, rural community of Cabrera on the north shore of the Dominican Republic.

Cabrera Farm

The ranch is located approximately 800 meters off the main highway on the hillside along the north coast, Highway 5, offering speedy access to towns and beaches yet remains quiet, serene, and enjoyable with beautiful breezes.

The property offers many unique ocean views suitable for future development or to remain as a working (cow) ranch.

The proximity of the ranch to one of the major developments along the north coast, the \$450 million Playa Grande Resort & Club that includes the Aman Resort, is certain to make this property highly desirable for future development. The ranch offers nearly 500 meters of road frontage, electrical access,
