The Parish of Cerdal, with a very marked mountain component, occupies an area of about 2086 ha, being therefore the largest of the Municipality of Valença to which it belongs, and is approximately seven kilometers from the village of Valença, the seat of the municipality.

Its limits are established as follows: to the north, the parishes of Aaron and Gandra. To the south, the parishes of Fontoura and Ferreira (this one of the Municipality of Paredes de Coura). The Spring, the parishes of Taião and Porreiras (also this one of the Municipality of Paredes de Coura). The West, the Parish of S. Pedro da Torre.

Its main places are: Pedreira, Mira, Bogim, Vilar, Alderete, Gondim, Igreja, Bade, Gondelim, Bacelar, Gosende, Tarouba and Passos.

To speak of Cerdal and not to mention your fair in Largo de S. Bento, is to omit one of its greatest attractions, since this fair is visited by customers from all over the country and abroad, with special emphasis on friends in Galicia. Especially the Feira dos Santos on November 1st, which is part of the traditions of Alto-Minho.

Other important references are the excellent landscapes that can be seen from their highest places over the Minho valley.
