#### Description:

Casas las Marismas: Exclusive Single-Family Homes in a Natural Paradise

#### Experience Luxurious Living:

Discover the epitome of luxury living at Casas las Marismas, a prestigious complex of six single-family semi-detached homes, each offering exclusivity and elegance on private 500 m<sup>2</sup> plots. Priced from 380.000€, these homes come complete with a swimming pool and meticulously landscaped gardens. Nestled in a prime location adjacent to the serene wetlands, a mere five-minute stroll from the beach, and in close proximity to the golf course and Isla Canela Marina, these properties redefine coastal living.

#### Elegance and Spaciousness:

Each of our 157 m<sup>2</sup> properties boasts three bedrooms, two bathrooms, and a convenient guest toilet. The spacious living room seamlessly integrates with a modern kitchen, offering direct access to the terrace and garden, creating a private sanctuary for family enjoyment.

### Innovative Design:

The Casas las Marismas is a collaboration with the renowned A-cero architecture firm, led by architects Joaquín Torres and Rafael Llamazares. Their expertise has brought to life sustainable, energy-efficient homes with cutting-edge designs, harmonizing with the natural surroundings of exceptional value.

### Your Choice, Your Home:

These villas cater to diverse needs and preferences. Located in the privileged Isla Canela, renowned for its tranquility, stunning beaches, and crystal-clear sea, you have the option to choose from two distinct home types, ensuring that you find the perfect match for your lifestyle.

### Eco-Friendly and Comfortable:

In addition to their unique and exclusive design, these homes prioritize energy efficiency and well-being. The latest generation of thermal and acoustic insulation has been integrated into the construction process, offering superior comfort and sustainability.

### Year-Round Enjoyment:

Casas las Marismas are designed to allow you to relish the beauty of Isla Canela year-round. Equipped with cutting-edge technology, these homes are flooded with natural light through expansive windows, providing breathtaking views of the surroundings.

### Unmatched Quality and Value:

Casas de las Marismas sets a new standard for construction projects:

Superior quality standards compared to traditional homes.

Emphasis on sustainability and maximum energy efficiency.

Note: The sale price includes both gardening and a swimming pool, ensuring that your new home is move-in ready.
