Welcome to this beautiful Cabrera Forever Home

The Cabrera Forever Home is located in the Catalina Hills of Cabrera in the forever-green Dominican Republic. It sits on a property of 2 acres with an ocean view, and tropical surroundings.

Enjoy the breeze from the porch, explore the fruit trees, cool off in the splash pool, or have a game of pool, darts, or dominoes in the gazebo. The Cabrera Forever Home has an open floor plan of approximately 2.000 square feet with beautiful views of the ocean. The front-facing windows draw you immediately and the invitation to sit on the porch rockers should not be ignored. After that, you will also enjoy a large back patio, a gazebo (pool table, hammock, dart board, and domino table), and a splash pool.

The master bedroom is spacious with an ensuite bath and AC. It has a queen bed and a convertible couch. Of the two additional guest rooms, one has a queen and the other a full bed. The home is considered modern by local standards. In addition, there are high ceilings, two seating areas, a dining room table that seats 8, and a kitchen with an island, a gas stove, a dishwasher, and a microwave. We also have plenty of parking and an enclosed single-car garage.
