Next door, in the spacious, fully equipped kitchen, up to four people can sit at the kitchen table and watch the hustle and bustle on the village square. In the town-centre of Olef you will find a loving and considerate neighbourhood. Although we like to celebrate ourselves, we kindly ask you to return the consideration and to avoid making any loud noise. Neighbourhood. Our small villa OLEFant is located in the historic town-center of Schleiden-Olef. The house is one of numerous half-timbered houses on the market square. The track of the historic "Oleftalbahn" crosses the square and the little "train station" is only two minutes away from our villa. We are looking forward to it when the train is finally allowed to run again. Right in front of Villa OLEFant is the "Verrückte Stuhl" ("crazy chair"), an installation that attracts tourists with its optical illusion. Will you be able to unravel the secret that gives "Villa OLEFant" its name? We look forward to helping you find out!
