Description:

Beautiful Andalusian style five bedroom, four-bathroom villa in El Chaparral. Only five minutes walking distance to the beach and five-minute drive to the boulevard of La Cala. The villa is built in one single level that makes it practical and comfortable. It is surrounded by a big plot with a very nice well-kept garden and a private swimming pool. All bedrooms come with fitted wardrobes, the master bedroom has an en-suite bathroom with a beautiful and unique designed shower. Also the bedrooms as well as the bathrooms receive lots of natural light. There is a good sized fully fitted kitchen with access to an outdoor barbecue area, where everything is ready for the next get together and, just beside it, you can find a nice dining room that can be enjoyed all year round, and with direct access to the terrace. Next to the entrance hall is the guest toilet. From there you go directly to a big lounge with a fireplace and lots of room to relax, also with direct access to the main terrace, garden, and pool. The entrance from the street is through a long driveway where you can park three cars and the garage provides one additional parking space. Because of its excellent design you will enjoy full privacy, which adds to the value and makes it a great option to invest.
