Description:

A unique opportunity to buy a T3 apartment on the 1st floor of a building in the heart of Olhão, downtown, just 100m from the City Hall. The apartment is in need of refurbishment, but it is not an apartment in disrepair, it was used as a permanent home and as an office until the last moment. There are only 2 apartments in the entire building, each occupying one floor. The apartment on the 2nd floor is used only for permanent housing and does not serve as Local Accommodation, so you are guaranteed tranquility even in the main holiday season. There is a huge terrace overlooking the sea and islands above the house that will give you a lot of privacy and that connects directly to the apartment.
