Description:

Very nice house, completely renovated, with a fantastic plot with trees and palm trees. The house has 3 bedrooms, two of the bedrooms with en suite bathrooms and all 3 have built-in wardrobes. The fitted kitchen is new and equipped with appliances, and the living room has a view of the beautiful garden. There is an open fireplace in the living room with adjoining dining room and air conditioning has been newly installed. The house is surrounded on three sides by terraces, there are various smaller outbuildings, including one for the washing machine and dryer and another outbuilding. There is a BBQ on one of the terraces a little away from the house. The entrance offers plenty of parking spaces and a fruit tree garden is partitioned off. It should be possible to build a pool, a project is required for this. The house is ideal for permanent living but also as a holiday home.
