Description:

Frontline Beach Apartment for sale in Torre Vieja

New build beachfront apartments in Punta Prima, near Torre Vieja, Spain. These modern apartments offer stunning sea views and are located within a beachfront complex. Each apartment features 2 bedrooms and 2 bathrooms, with some units boasting a solarium.

Designed with comfort and convenience in mind, the apartments are equipped with electric blinds, underfloor heating in the bathrooms, a utility room, and include underground parking and a storage room. The apartments also feature a solar panel water heating system, promoting energy efficiency.

White goods are provided, ensuring that residents have all the necessary appliances readily available. The communal facilities within the complex include a beautifully landscaped garden, a partially heated pool for year-round enjoyment, a dedicated children's area, and a relaxing jacuzzi.

These apartments offer an ideal combination of luxurious beachfront living, modern amenities, and access to communal facilities, making them an attractive choice for those seeking a comfortable and enjoyable lifestyle in a prime location.

Given the high demand for quality rental properties in this popular coastal area, investing in these apartments presents a promising opportunity for rental income. With their attractive features, location, and access to communal amenities, these apartments are sure to attract vacationers and generate a significant return on investment.

Properties for sale in Torrevieja

Buying abroad doesn't end once you have bought the property, there are many sides to purchasing a home in Spain such as arranging furniture, house maintenance, wi-fi, etc which also need arranging. We are able to carry out all of these services for you and also offer furniture packs for your new home.
