### Description:

This townhouse for sale Elegant And Sophisticated has the 'WOW' factor from the front door to the back apartment. Every detail has been thought of, unfortunately the property has been left for many years and is in definite need of some TLC, the kitchen roof has also come in this would provide a nice roof terrace to add to the main house, Three to four bedrooms, two bathrooms, separate guest suite, lounge with a wood burning stove, dining room, salon and a kitchen with a wood burning oven. There is a patio and a roof terrace from the property at the back.

This is a very cool and tranquil house that lends itself to entertaining and relaxing having the understated mark of a good interior designer, it is in a great street close to the town hall with parking in the street, and spans over to streets the property really is in need of bringing back to its former glory.
