Description:

Humana Workcenter is the first office building in Playa del Carmen designed to promote business relationships. Humana Workcenter is part of the new urban center of Playa del Carmen planned to concentrate services and equipment. An area that is becoming the economic heart of Playa del Carmen.

In the last 25 years the population has grown 320%. Mostly people between 20 and 40 years old representing the labor force. According to market studies in the area the demand for offices in the city grew by 11.3% during 2017.

Real estate constantly increases in value and with Humana Playa del Carmen you have the opportunity to invest in this area with the first building of this type in the city in the area with the best projection. There has been growth in private professional technical and scientific services being an indicator of economic growth.

Humana Workcenter is located within the services cross a new urban center designated by Playa del Carmen. Developed to house commerce offices and mixed uses that will supply the city. The area is equipped with public transport and excellent connectivity.
