Description:

The detached house with two residential units is located in a very well-kept neighborhood and offers plenty of space for families or couples. The modernly furnished living room has a balcony. The large garden offers plenty of space for relaxation, cozy get-togethers or for the children to romp around (shared by both parties to the house). There are two bedrooms available: The first bedroom is equipped with a 180 cm bed; the second bedroom with a 140 cm and a 90 cm bed. The kitchen is in a modern country house style. The house is rounded off by a bathroom with natural light. In the basement of the house there is a tenant cellar and a laundry room with an individual washing machine. The house is in an excellent location: on the quiet, affluent outskirts of Cologne, within walking distance of the tram stop (U1) to Cologne city center (15-20 minutes). The A4 motorway exit (Refrath) can be reached in just a few minutes, which also provides good connections to the A3 motorway. The immediately adjacent Refrath (Bergisch Gladbach) offers direct shopping opportunities and cafes / restaurants, as well as good schools and kindergartens. Behind the house there is a horse farm, followed by a forest area that is ideal for walking and cycling.
