HOUSES

We offer three model houses in different sizes. Our engineers will hand over the keys to your house in paradise no later than 12 months after your down payment. But if you are independent you can bring your own team.

Quetzal House

For the Mayans Quetzal was a legendary bird that represented the gods. For us this house represents the magic of life surrounded by the sky in contemporary style poetic perfect elegant and imposing. A house that lives up to te legend.

Colibri House

Discreet and functional small but strong a mix of glass accessories and direct forms. Colibri or humming bird is the modernist house for excellence.

Jaguar House

This house is perfect balance with the virgin forest of the region robust free earthy strong and powerful like a jaguar.

SUSTAINABILITY

Our engineers are committed to a sustainable future. Two examples of our joint contribution to the younger generation. On each house our engineers install six solar panels completely free of charge for you. The energy yields are integrated into your electricity bill reducing your expenses day after day. You can constantly track the energy your roof produces.

For every lot sold we will plant 1000 trees on the Yucatan Peninsula.

Tulum Gardens is perfectly designed to achieve positive interaction between fellow citizens.

The first stage all works will be completed in 2022.

The day of your last payment we will hand over ownership titles of your new home.

With of your own capital we will support you with of your financing . This applies to both land and housing purchases.

We use high technology for street lighting fiber optic internet telephone network electrical network fresh water system and sewer system. Everything is under your feet. Also enough energy for e mobility.

Tulum train station with direct connection to Tulum or Cancun airports and 16 other destinations within walking distance.

We are committed to the young and the generations to come and that is why we use all proceeds from the sale of Tulum Gardens to support a global civil society. We want to achieve a world balance based on climate justice.

COLLEGE

Colegio Ingles We are convinced that education is the most important thing we can give to our children. That is why we have entered into an alliance with Colegio Ingles. They will educate happy children in Tulum Gardens as they have been doing successfully for 20 years in Playa del Carmen.
