Description:

This is a beautiful plot of land in Rethymno, Crete for sale. It is located in the village of Kare, just 16 kms from Rethymno town. It has got the surface of 376,92sqms and being in the village limits, it offers the high building allowance of 256sqms. The plot is set in an elevated spot offering views over the countryside and the village. The access is through an asphalt road and the utilities are nearby for easy connection.

The village of Kare is situated at the base of Vrysinas Mountain and has been built in an altitude of 460 metres. Perched on top of a hill and immersed in a lush green landscape, the small traditional village of Kare offers accommodation and a cafe. At its heart lies the Renaissance-style Holy Church of Protomartyr Stephanos.

It is said that Kare derived its name from a colossal walnut tree situated at its entrance. The village offers easy access to the center of Rethymno, as well as to the south part of Crete, where beautiful resorts and beaches can be found such as Plakias, Preveli, Agia Galine etc.
