Description:

EXCEPTIONAL PROPERTY - Two properties in excellent condition set in superb, private wooded grounds of over 3 hectares. There are no neighbours and the River Charente is close by. The first property, 'Le Logis', is said to have been built at the end of the 19th century by the Chatelain de Rochemeaux for his mistress: a superb 6-bedroom manor house with recent electric central heating, has its own exterior with wooded grounds and a beautiful terrace. The second property, 'La Grange', is, as its name suggests, a renovated barn. What is special about this property is that the sleeping area (3 en-suite bedrooms) is on the ground floor and the living area is upstairs. The reasons for this? The views over the countryside, which are best enjoyed from the first floor, and the incredible structure of the barn, which they wanted to show off to its best advantage. Outside, this second property has a private garden, a large salt water swimming pool with retractable cover and outbuildings. As you can see, the two houses are completely independent of each other. A must-see! Ideal for 2 families or main home and rental income.

LE LOGIS (electric central heating)
