Description:
 Live in substance and landscape.

With seven divisions.

New House, T5 with 263 m2 of construction, garden, terraces and garage for two cars, set in a plot of land with 250 m2, in a fantastic corner in Arneiro.

Built with the thought that we need things that last and that our spaces are: functional, attractive, calm, with a strong identity and in harmony with the outside.

Reflecting an appreciation for a "modernized rusticity" and all that it implies: tradition, the place, the richness of materials, lights, views, everything that makes us feel well connected to our environment.

Soulless, excessively minimalist interiors were not contemplated,

Instead, here we find value in textures, colors, ornaments, and personalized spaces guided by liveliness, naturalness, and warmth.

Spread over four floors, the villa has an equipped kitchen, three full bathrooms, three bedrooms with wardrobes, living room with fireplace and connection to the main garden, dining room, reading room | or bedroom | or office. Multipurpose lounge with connection to the main garden (prepared), large garage for at least two cars and laundry, balcony and two terraces with views, two garden spaces.

Integration with nature through the garden and terraces provides a natural environment, reducing the need for artificial climate control, taking advantage of the natural shade and breeze.

It should be noted that, at the penthouse level, the suite with an accessible terrace frees the gaze over a view of the surrounding houses and the sea.

Located in an extremely quiet and beautiful residential area, the villa is located 3 minutes from the A5, 1.5 km from Saint Dominic's International School, 1 km from E. Leclerc, 10 minutes from the center and the beaches Carcavelos and Parede, Av.Marginal St. Julian's and Universidade Nova de Carcavelo, 8 minutes from Oeiras, 25 minutes from the center of Lisbon. Green areas, shops, services nearby.

Visit this hideaway.... It is the dream house.

I look forward to your visit.
