Listed For Sale EXCLUSIVELY with Andy Ward - Tenerife Estate Agents!

The apartment has a lounge with open-plan kitchen. You have sea views from both inside the lounge and from the balcony to the front of the apartment. The balcony has sunshine from late morning and throughout the day and has a retractable awning for when some shade is required.

There is a bathroom with a shower and washing machine and the bedroom is to the rear of the apartment.

The apartment is very clean and well kept and is in one of the better positions on the complex, overlooking the beautiful community swimming pool. As the apartment is in an elevated position with sea views, and there are no lifts on the complex, there are some steps upto the property so it is not suitable for those with mobility issues who may struggle with steps.

On-site there is a heated swimming pool with plenty of space on the sun terraces around the pool. It is

generally a quiet, very-well maintained complex in a very popular location.
