About the City of Tavira:

Tavira is a small town on the Algarve coast of Portugal. It extends along the Gilão River, which reaches

the sea through the entrances to the lagoons of the Ria Formosa Natural Park.

Tavira Island has a long sandy beach and salt flats that attract flamingos, spoonbills and other wading birds.

Tavira is a city with a history very marked by the Christian reconquest and some of its landmarks reflect this same history: the medieval castle of Tavira that offers views of the city, the Roman Bridge that crosses the river Gilão, and its churches that keep true treasures.

All these characteristics fall in love with those who visit this city, making them want to stay here.

Living in Tavira means never wanting to live anywhere else again.
