Description:

Luxury historic palace: 1920s jewel with swimming pool and furniture included.

This extraordinary palace, built around 1920 by the renowned teacher, poet and painter Samora Barros, is a true jewel of national history and culture.

With imposing architecture and exclusive details, this luxury property radiates charm and elegance, transporting us to a time of incomparable glamour and sophistication.

One of the most valuable particularities of this palace is that much of its furniture, carefully preserved, is offered as a gift, at no additional cost, adding even more to its history and value. Among the items on offer, an impressive chandelier of 300 kg of Iranian crystals stands out, a piece of rare and almost priceless beauty, which further enriches the refined ambience of this unique property.

The Palacete was used for a few years as a luxury hotel, where it consistently received 5-star reviews and enthusiastic praise from all who stayed there.

Guests especially highlighted the romantic ambience, the incomparable beauty of the place, and the proximity to excellent restaurants, making it a destination of choice for those looking for refinement and charm in every detail.

If you are looking for this type of property, unique, stunning, part of our national history, contact me in order to meet it personally.
