Welcome to Casa Libelula, an extraordinary and newly renovated beachfront estate set on the pristine sands of Langosta Beach, just minutes from Tamarindo and one of Costa Rica's most sought-after coastal destinations. This luxurious property spans a total of nine bedrooms, consisting of an expansive seven-bedroom main residence and a separate two-bedroom caretaker's apartment. Specifically designed as a one-of-a-kind property to accommodate large families or groups in a perfect beachfront location, Casa Libelula acts as a tropical safe haven for each of its guests.

At the heart of the estate is an enchanting octagonal kitchen and dining area, ideal for gathering and entertaining in style. This focal point of the home features a five-person breakfast bar, a 10-person indoor dining table, a striking vaulted ceiling made from Costa Rican hardwood, and a spiral staircase that leads to a whimsical upstairs library. This captivating space opens up to stunning outdoor spaces, complete with a resort-style beachfront pool, direct access to the white sands of Langosta Beach, and an impressive outdoor kitchen equipped with a gas BBQ grill, a wood-fired Argentinian grill, a pizza oven, and additional outdoor dining for eight. This setup is perfect for al fresco dining and enjoying Costa Rica's breathtaking sunsets from the comfort of your own backyard.

Just off the home's focal point lies the elegant primary bedroom suite that opens to a private wraparound terrace and features an en-suite bathroom that is simply the stuff dreams are made of. With dual vanities, a freestanding soaker tub, ample light, indoor and outdoor showers and its own private gardens and sitting areas, there is nothing quite like this in Costa Rica. The residence also features a range of bedroom configurations—including king, queen, and bunk beds—designed to suit any family or group dynamic, and each with ample space, sitting areas, en-suite bathrooms and sliding glass doors leading to private balconies or gardens.

Casa Libelula also offers thoughtfully crafted spaces that seamlessly blend indoor and outdoor living. Stroll past the gardens along the magical covered walkways, relax near one of the fountains, or retreat to the meditation pavilion surrounded by water and plant life. This property also features a second full service kitchen perfect for private chefs and comes with a 6-seat golf cart perfect for exploring the area.
