Here we present an excellent plot of land in one of Ireland,s most sought after areas for development right now.

This is an ideal opportunity for an investor to design and build a house to their own specification and have hands-on involvement in the building process from start to finish.

WIDER DONEGAL AREA

County Donegal is the wild child of Ireland and home to some of its most ravishingly sublime scenery, with the county's craggy coastline making a fitting starting line for the Wild Atlantic Way. This is a county of unspoilt splendour where stark peaks and sweeping beaches bask in glorious sunshine, and port-side restaurants serve majestic food.

Donegal's rugged interior, with its remote mountain passes and shimmering lakes, is only marginally outdone by the long and labyrinthine coastline with windswept peninsulas and isolated pubs. In recent years, the local food scene has been flourishing, and delicious fresh seafood is never far away.

Proudly independent, one-third of Donegal is official Gaeltacht territory, with Irish the lingua franca.
