Description:

Baixa de Lisboa is the historic and commercial heart of the Portuguese capital, known for its elegant streets and squares, rebuilt after the earthquake of 1755 under the direction of Marquês de Pombal, who implemented an innovative urban plan, with neoclassical buildings, wide squares and a system of orthogonal streets.

In addition to commerce, Baixa is a cultural and tourist centre, with museums, theatres and the vibrant life in its squares. It is a place where you can feel the history of Lisbon and enjoy the unique atmosphere of the city.

SixGild is the result of a rehabilitation project, preserving the charm of the historic with high and worked ceilings, associating the sophisticated with the contemporary and adding the comfort of the high quality of the materials.

We have available a store with 2 floors with a gross private area of 280.50 m2.

Construction completion date: Q1 2025
