Description:

Beautiful apartment in nautical style by the sea! Enjoy the spacious terrace and the fantastic view over the port of Torrevieja and the Mediterranean Sea. The hotel is located directly on the beach, in the center and within walking distance to all amenities. Bedroom This large apartment of more than 80 m² is literally on the edge of the Mediterranean Sea. Open the windows and enjoy the sea breeze! All windows are completely exterior and have a view of the sea. The large terrace above the apartment is a delight day and night, with fantastic views over the port of Torrevieja and the Mediterranean Sea. Don't miss the different areas of the terrace where you can read, drink coffee, listen to music and eat... you won't want to leave! The kitchen is new and equipped with everything you need: fridge, oven, ceramic hob, washing machine, microwave, toaster, juicer, etc. In the living room there is a large sofa and a TV. The view from the window is amazing and can be seen from anywhere in the house. The apartment has a fully equipped bathroom with toilet, shower and bathtub. Service and common areas We rent our entire apartment so you can enjoy all the amenities we have to offer. For swimming, we recommend the quiet beach in the harbor and the facilities at the foot of the building. If you prefer a beach with more atmosphere and waves, 5 minutes away is the best beach in Torrevieja: Los Naufragos. If you prefer fresh water, there is a large communal pool on the ground floor with sea views.
