BEAUTIFUL RECENTLY REFORMED SEMI-DETACHED HOUSE IN URB.LA MARINA ON THE COSTA BLANCA!!!

Smart Properties is pleased to present this beautiful 72m2 townhouse near the commercial area where we have several shops, a bank, a health center, a supermarket and much more.

This house is in a very quiet area and ready to move into because it has been recently renovated. Entering the property, we have a large living room with large windows that let a lot of light and air into the house. Then we have an open kitchen fully equipped with electrical appliances with a bar to have breakfast or eat quietly and we also have a dressing room that can be transformed into a room and a bathroom with shower. At the top going up the stairs we have a large bedroom with a good size en-suite bathroom and we also have a nice terrace with fantastic mountain views. The house also has a basement where the new water heating for the whole house is located and where you can store many things.

The house has several extras, including, ready to move into, renovated house, terrace, new water heater, without forgetting that we have the beaches of the marina just 10 minutes away by car, the airport 25 minutes away.
