Luxury Villa in Raco de Galeno - Breathtaking Sea Views and Unprecedented Luxury

In the prestigious residential area of Raco de Galeno, just 1,500 meters from the Mediterranean Sea, stands this extraordinary villa that offers everything you could want. With spectacular sea views, the iconic Peñón de Ifach, and unparalleled design, this is the property for those looking for ultimate luxury and comfort.

The villa extends over 3 floors connected by an elevator, on a generous plot of 1,800 m². With a total built-up area of no less than 770 m², this property offers plenty of space for relaxation, entertainment and privacy. Thanks to its clever layout, the home is accessible from both the top and bottom of the lot. At the top is parking space for three vehicles and direct access via elevator or stairs to the lower floors. At the lower end of the plot you will find additional parking on different levels, for example, parking can also be found at the level of the first floor. There is also parking space for two cars under an awning.

The first floor is the heart of the villa. Here you will find a generous living room with dining area and a modern, fully equipped open kitchen with bar and refrigerated wine cellar. The double ceiling and high windows create an impressive sense of light and space. A laundry room and guest toilet are available for

added convenience. On the east side is a large summer kitchen, perfect for outdoor cooking and entertaining dinners. In front of the living room extends a spacious outdoor area with a luxurious pool and a bioclimatic pergola where you can dine with as many as 12 people. A built-in seating area next to the pool offers shelter from the wind and unbeatable sea views.

Upstairs are three spacious bedrooms, each with its own en suite bathroom. One of the rooms has a private terrace, and from all rooms you can enjoy breathtaking panoramic sea views.

The basement floor is entirely dedicated to wellness and relaxation. Here you will find a luxurious gym, a large indoor pool with lounging area, a cedar sauna, and a fourth bedroom with en suite bathroom and sea views. This bedroom is accessible from both the house and the garden, making it ideal as a guest house.

On the lower part of the plot is a charming 20 m² guest cottage that can be used for staff or as an extra guest room. In front of the cottage is a bocce court, which can be transformed into a paddle court if desired. Thanks to its southeast orientation, you can enjoy the sun all day on the various terraces around the villa.
